#### **RICHARD E. STANTON**

Born April 22, 1913--died December 15, 1995

After retiring from the Peekskill Union School System in 1976, Richard returned to this area and worked long and hard to revive this Alumni Association. The first meetings were held at the school and Richard served as the first president of the association. He and his sisters, Lee and Elizabeth, furnished coffee and refreshments for many meetings.

Richard spent many, many hours keeping Scrap Books filled with news clippings and other information concerning former graduates of L.G.H.S. He also kept a ledger by Class Year and faithfully listed the graduates and strived to keep updated addresses.

Richard never missed a meeting until he suffered a stroke in August 1992 but that did not lessen his interest in this group of members and what was taking place.

Richard was very proud of his Alma Mater, L.G. H. School and desired that all graduates feel the same way.
