2011 Alumni Banquet, *"Memories"* Honoring The Class of 1961

The Alumni Banquet was held at the TIKI Resort in Lake George Village on Saturday, October 8th. 96 folks attended including 26 from the Class of 1961. Special honors went to Edward Dahlstedt from the Class of 1941 and some attendees were dressed in their Hawaiian finery. Food was delicious and everyone had a great time. Entertainment for the evening was by DJ's Debbie and Mike Gosline and featured music of the '50's and '60's.

The annual silent auction was held throughout the evening. It featured a variety of items from over sixty area businesses and citizens. The Alumni would like to thank all who participated by either donating or purchasing items. The profit from this event helps to give scholarships to students and to purchase necessary equipment for the school district.

Rounding out the evening were annual awards presented as follows: Educator's Awards to Richard Chase, who was Supervising Principal from 1954-1965, and Hiram Bevins, who was Instrumental Music teacher from 1954-1977; the Outstanding Member of the Community Award to James

Bob Bevins (class of '61), on his Tenor Sax and his sister, Mary Ellen Bevins Jolley (class of '72), vocally, led the Alma Mater and later Bob played a medley of "Lullaby of the Leaves," "All the Things You Are" and "The Way We Were" as a tribute to his father. It was certainly a nice touch to the awards ceremony.

WALL OF HONOR – 2011

SPC. BENJAMIN D. OSBORN

Class of '02 ~ Jan. 21, 1983 - June 15, 2010

LAKE GEORGE -- Spc. Benjamin D. Osborn, 27, passed on Tuesday, June 15, 2010, in Konar Province, Afghanistan, while serving with the U.S. Army.

Born in Glens Falls Hospital, Jan. 21, 1983, he was the son of William D. and Beverly (Burnham) Osborn.

Benjamin served with the 1st Battalion, 327th Infantry, 1st Brigade Combat Team, 101st Airborne Division, Fort Campbell, KY, rank SPC 4. He was in active duty from April 2007 to June 2010, in Theatres of Operation in Iraq and Afghanistan. On Feb. 6, 2010, he married the love of his life, Nicole LaPier, in Queensbury. He was a caring, loving and passionate husband, who adored his wife and looked forward to their future.

Ben received his first trophy at the age of seven, when he competed amongst 11 boys in a tumbling routine. He received first place. This was the beginning of many, many sports trophies. He received the senior athletic award and played varsity football for four years, varsity baseball for two years, JV baseball for two years, JV basketball for two years and was a member of the varsity ski team for one year. He still holds the record at Lake George High School for career tackles in football, accomplished in two and half years. Along with his sports, he was involved in the Sister Cities Exchange Program and Odyssey of the Mind.

Ben will be remembered for his sense of humor, his appetite, loyalty, dedication, love of his family, brotherhood, friends and Lake George. He was a hero to so many in life and will be remembered as a hero to all in death. Ben will always be remembered for his ready smile, his sense of fun and adventure. His readiness to help others any time for anything. His willingness to stand up for his friends while always ready to get on the floor to play with the young.

Ben found true happiness and contentment in his recent marriage to his beloved Nicole. He was now complete and ready to face the future. Ben was such a loved and compassionate person, yet he fully subscribed to the creed of effort. *"I firmly believe that any man's finest hour is that moment when he has worked his heart out in a good cause and he's exhausted on the field of battle, victorious."* (Vince Lombardi) Ben gave his all for the mission at hand.

This tribute in honor of Benjamin D. Osborn was written by Barry Lashinsky.

ROBERT M. MOON

Class of '43 ~ January 21, 1924 - February 24, 2008

Bob was a dedicated bus driver throughout our high school years and continued as Lake George's Transportation Supervisor until his retirement in 1985. He touched the lives of many students as well as peers in the School District. He was loved by many and respected by all. For his back story, I would like to quote from his obituary -

"Bob was a 1943 graduate of Lake George Central School and a U.S. Army veteran of World War II, having served in the D-Day invasion of Normandy and the Battle of the Bulge campaign in the Ardennes region of Belgium.

He had a long and distinguished career in fire and public service. He was a Boy Scout Master for Troop 20 in Lake George; Noble Grand of I.O.O.F. Lodge; District Deputy Grand Master I.O.O.F. Lodge; Lake George Village Police Officer; Warren County Deputy Sheriff and dispatcher; New York State Park Ranger; Lieutenant of the Civil Defense Police where he was an instructor in unarmed defense; Chairman of the Communications Subcommittee for Tri-County EMS; Chairman of the Board of Ethics in the Town of Lake George; Secretary/Treasurer of Northeastern Fire Coordinators Association; Chief of the Lake George Fire Department; head mechanic and transportation supervisor at Lake George Central School; a member of New York State Pupil Transportation Association; Warren County Fire Communications officer; Warren County 1st Deputy Fire Coordinator; Warren County Arson Squad investigator; Warren County Fire Safety inspector; and served on the Board of Directors of the Lake George Historical Association. He retired from his public service career in 2006 at age 82.

He and his first wife, Virginia, who predeceased him, had two sons, Alan and Gary and a daughter Brenda; and later married Katherine, who had three sons, Mike, Jeff and Steven.

Bob was well known and respected by the community of Lake George and the entire region. He leaves behind an example with his commitment to community service and his desire to help people."

EDUCATOR AWARD: 2011 Recipients

RICHARD CHASE - In 1932, Richard Chase graduated from Hartwick College in Oneonta in its first graduating class. He soon took a teaching/principal job in a tiny school in Maryland, New York and later, when three small schools consolidated to form a central school in Schenectady, NY, his home town, he became its Vice Principal and Science teacher. Fearing he might not achieve his goals there, he attained his next job as Principal of Jefferson School in 1952. Jefferson was a very small farming community with a total student enrollment of 250 K-12.

In 1954, Lake George School District hired Mr. Chase as its Supervising Principal and he remained in that position until his daughter Carol graduated in 1965. After retirement, he worked part time for several years assisting local schools apply for federal grants. He died in 1990 at 82 as a result of Parkinson's disease. His second wife Lena, a former student in the Maryland school where he first taught, still resides in Lake George and is 93.

Mr. Chase was a strong, disciplined Principal, respected by both students and faculty. Our class remembers him well.

Here is a short remembrance from Andy - "I think one of the most remembered incidents from our school days was when many of us, me included, got caught up in the HOT pepper incident when we were in the 7th grade. Those of us involved were summoned to the office where we had to eat hot peppers, which had been confiscated, washed in the cafeteria and cut into small pieces. I don't think another hot pepper ever entered the Lake George School again!"

HIRAM BEVINS spent most of his life in Milton, Vermont, graduating from Milton High School and furthering his education at the University of Vermont in Burlington. While at UVM he took a Civil Aeronautics course and upon graduation in 1941, he joined the U.S. Air Force as a cadet and trained as a pilot. During World War II, he was stationed in England and flew missions with the 61st Fighter Squadron over continental Europe. On September 3, 1943, Lt. Bevins' P-47C fighter plane (which he called the HV-B "Bunkin") was hit by a German FW190 fighter plane and belied-in near Paris. He was missing in action for several weeks but was later found alive in a prisoner camp in Germany. He was reunited with his family three years later.

After the war, Mr. Bevins returned to his family home in Milton where he continued his education at UVM, earning a Master's Degree in Music. He began his new career at the Black River Academy in Ludlow, VT teaching English, Music and a course in Aeronautics. He later returned to Milton to teach music for six years, and in 1954 he, his wife Betty, sons, Robert and Bruce, and daughters, Mary Ellen and Suzanne, moved to Lake George where Mr. Bevins would teach Instrumental Music.

His great love of music was evident to all of his students and we were eager to learn from him. The school music programs expanded as more and more students joined our bands. Mr. Bevins helped instill in us school pride, and that enthusiasm was reflected at school concerts, exchange concerts, concerts in Shepherd Park, and at Memorial Day and firemen parades. He continued teaching at Lake George until he retired in January of 1977. He and his wife moved back to Milton where he lived until his passing in 1998. His wife Betty died in 2011 at the age of 93.

We were so fortunate to have known and to have been taught and influenced by Mr. Chase and Mr. Bevins and it is with great pleasure that we honor these gentlemen.

COMMUNITY SERVICE AWARD: 2011 Recipient

Jim Corkland will be 90 years young on February 17, 2012. Jim grew up in Fort Edward and as a young boy, would travel by trolley from home to Lake George to visit his uncle. Jim worked summers for the Lake George Village Police Department from 1949 through 1964 and then for the Town of Lake George Police Department until 1970. Elected as Town Justice in 1970, he served 35 years in that position.

Lake George High School

ALMA MATER

Oh Lake of crystal water,
surrounded by yon hills:
the mountains peaks rise up
to kiss the blue'nd skies and rills.

Our high school stands
upon the mound,
we gaze at all thy charms!
God bless our Alma Mater
in the Adirondack Arms!

As forward through the years
we march,
our footsteps toward success . . .
we dream of

Lake George High School,
and the friends that we possess.
The love and honor in our hearts
shall last forever more:
the things that we have accomplished
shall reflect upon the door!
