A TRIP DOWN MEMORY LANE

By Gwen Lewis Palmer '53

Every generation has its "good old days" and now it's our turn to reminisce. If you graduated in the 40's or 50's you will perhaps remember some of these things.

How privileged we were to be brought up in such a beautiful place, I can't believe there is a lake or mountains anywhere equal to the beauty of Lake George. And we had it all for our own playground. Most of us learned to swim at Shephard's Park and it was also the place to be to meet your friends, listen to the band concert or enjoy the entertainment of the evening.

Parrott's farm was a familiar place. In winter we skated on the pond and went sledding down the slopes. In Spring it was the place to fly kites, or check out the livestock. Remember on warm

spring days with the school windows open, you could smell the fertilizer that was being put down on the fields. Lake George, being a tourist town, was a great place to live in the summer if you wanted employment. Everyone had a summer job, at a restaurant, soda bar, gas station or a shop. Remember the Fort Wm. Henry's Pergola and the picnics at Battleground Park.

During the school year, when the town was our own, we could always find things to do. There was a youth center, church related activities, school sporting events, movies at the Lake Theatre and the school (25 cents). Each class worked to earn money for their Senior Washington Trip and the Junior's job was to make breakfast early in the morning on the day of departure.

How lucky we were to have the opportunity to grow up and go to school here!

BEQUEST

The Association was saddened to receive a note from the lawyers for **Alan and Mary Pike**, informing us of Alan's death. We shall miss his annual letter and the stories that he told of Lake George in the late '20s and '30's. Alan has included the Alumni Association in his will, to be used for Scholarship or the Athletic Program. Our sympathies go out to his widow.

WALL OF HONOR

We need your input!! The High School has set up a "Wall of Honor" in the new Alumni Room. So far, three people have been chosen for the "Wall". Wesley Fry of Class of 1941 and Rachael Ray, Class of 1986 were selected in 2003 by the school, and Victor Lefebvre, Class of 1947 was selected in 2004 by the Alumni Association. The school has asked the Association to select at least one individual a year for this honor. If you have a candidate in mind, please contact the association and we will send you an application form.

Questions include the candidate's achievements, special recognition, awards or appointments, contributions to the Lake George School System or the community and contributions to society or to humanity.

TEACHER'S AWARDS

AGAIN, we need your help. We are looking for nominations from you for Teacher Recognition Awards. In 2004 the Association honored Helene Horn and Donald Corsetti. In 2003 the awards went to Bob and Inky Remais, 2003 to Katherine Sisson and John Dawes. Ann Keenan McCoy was honored in 2001 and the first Award was presented to Adele Wagner Boyd in 2000. Please see the attached form.

TO DANCE OR NOT TO DANCE

"That is the question" Would you like music for dancing to begin at 9:30 PM after the Alumni Banquet? Every year the subject comes up and we would like to give you the opportunity to decide, with yet another "Attached Form". Please return this one by May 1, 2005. Thank you.
