Come Sail Away - Styx

I'm sailing away
set an open course for the virgin sea
I've got to be free
free to face the life that's ahead of me
On board I'm the captain so climb aboard
We'll search for tomorrow on every shore
And I'll try oh Lord I'll try to carry on

I look to the sea reflections in the waves spark my memory
Some happy some sad
I think of childhood friends and the dreams we had
We live happily forever so the story goes
But somehow we missed out on that pot of gold
But we'll try best that we can to carry on

A gathering of angels appeared above my head
They sang to me this song of hope and this is what they said
They said come sail away come sail away
Come sail away with me
Come sail away come sail away
Come sail away with me
Come sail away come sail away
Come sail away with me
Come sail away come sail away
Come sail away with me

I thought that they were angels but to my surprise
They climbed aboard their starship and headed for the skies
Singing, come sail away come sail away
Come sail away with me

Come sail away come sail away
Come sail away with me – repeat x6

Send Me On My Way - Rusted Root

I would like to reach out my hand
I may see you, I may tell you to run (on my way, on my way)
You know what they say about the young

Well pick me up with golden hand
I may see you, I may tell you to run (on my way, on my way)
You know what they say about the young

Well, I would like to hold my little hand
And we will run, we will, we will crawl, we will
I would like to hold my little hand
And we will run, we will, we will crawl

Send me on my way (on my way) repeat x 6
Mm hmm (on my way)

I would like to reach out my hand
I may see you, I may tell you to run (on my way, on my way)
You know what they say about the young
Now pick me up with golden hand
I may see you, I may tell you to run (on my way, on my way)
You know what they say about the young

Well, I would like to hold my little hand
And we will run, we will, we will crawl, we will
I would like to hold my little hand
And we will run, we will, we will crawl

Send me on my way – repeat x2
On my way
Send me on my way
Send me on my way
Oh oh oh (way)
Send me on my way
Oh oh oh (way)
Send me on my way

I would like to reach out my hand
I may see you, I may tell you to run (on my way, on my way)
You know what they say about the young

Alma Mater

Oh, lake of crystal waters
Surrounded by yon hills,
The mountains peaks rise up
To kiss the blue 'nd skies and rills.

Our high school stands upon the mound
We gaze at all her charms,
God bless our Alma Mater
In the Adirondack arms.

As forward through the years we march
Our footsteps toward success,
We dream of Lake George High School
And the friends that we possess.

The love and honor in our hearts
Shall live forever more,
The things that we accomplish
Shall reflect upon the door.
