## **“History” by One Direction**

You gotta help me, I'm losin' my mind  
Keep gettin' the feeling you wanna leave this all behind  
Thought we were goin' strong, I thought we were holdin' on  
Aren't we?

No, they don't teach you this in school  
Now my heart's breakin' and I don't know what to do  
Thought we were goin' strong, thought we were holdin' on  
Aren't we?

You and me got a whole lot of history (oh)  
We could be the greatest team that the world has ever seen  
You and me got a whole lot of history (oh)  
So don't let it go, we can make some more  
We can live forever

All of the rumors, all of the fights  
But we always find a way to make it out alive  
Thought we were goin' strong, thought we were holdin' on  
Aren't we?

You and me got a whole lot of history (oh)  
We could be the greatest team that the world has ever seen  
You and me got a whole lot of history (oh)  
So don't let it go, we can make some more  
We can live forever

You and me got a whole lot of history (oh)  
We could be the greatest team that the world has ever seen  
You and me got a whole lot of history (oh)  
So don't let it go, we can make some more  
We can live forever

So don't let me go, so don't let me go  
We can live forever  
Baby, don't you know, baby, don't you know  
We can live forever

## “Have It All” by Jason Mraz

May you have auspiciousness and causes of success  
May you have the confidence to always do your best  
May you take no effort in your being generous  
Sharing what you can, nothing more nothing less

May you know the meaning of the word happiness  
May you always lead from the beating in your chest  
May you be treated like an esteemed guest  
May you get to rest, may you catch your breath

And may the best of your todays be the worst of your tomorrows  
And may the road less paved be the road that you follow

Well here's to the hearts that you're gonna break  
Here's to the lives that you're gonna change  
Here's to the infinite possible ways to love you  
I want you to have it  
Here's to the good times we're gonna have  
You don't need money, you got a free pass  
Here's to the fact that I'll be sad without you  
I want you to have it all

Oh! I want you to have it all  
I want you to have it  
I want you to have it all

May you be as fascinating as a slap bracelet  
May you keep the chaos and the clutter off your desk  
May you have unquestionable health and less stress  
Having no possessions though immeasurable wealth

May you get a gold star on your next test  
May your educated guesses always be correct  
And may you win prizes shining like diamonds  
May you really own it each moment to the next

### [Pre-chorus & Chorus]

Oh, I want you to have it all  
All you can imagine  
All, no matter what your path is  
If you believe it then anything can happen  
Go, go, go raise your glasses  
Go, go, go you can have it all  
I toast you

### [Chorus]

\* Honor Group

# Alma Mater

*Oh, lake of crystal waters  
Surrounded by yon hills  
The mountains peaks rise up  
To kiss the blue 'nd skies and rills.*

*Our high school stands upon the mound  
We gaze at all her charms  
God bless our Alma Mater  
In the Adirondack arms.*

*As forward through the years we march  
Our footsteps toward success  
We dream of Lake George High School  
And the friends that we possess.*

*The love and honor in our hearts  
Shall live forever more  
The things that we accomplish  
Shall reflect upon the door.*
